General Information

This Skills Card, when completed, will provide evidence for the award of the European Computer Driving Licence (ECDL). It is valuable to you and should be kept in a safe place. If it is lost or stolen the ECDL Licensee must be notified in writing. A change of address should also be notified in writing and the Skills Card forwarded for amendment.

Instructions

As soon as you receive your Skills Card you should ensure that your details are complete and correct, then sign it. When you feel you are ready to take a test for a particular module, you should choose and contact an Approved Test Centre to arrange a test. When you attend the Approved Test Centre to take a test you must take with you this Skills Card and proof of identity, e.g. passport, driving licence or national identity card. When the test has been passed by you, an Authorised ECDL Tester will complete the appropriate section on your Skills Card. When all modules have been passed, and the Skills Card completed, please consult with your local Approved Test Centre who will coordinate the issue of the ECDL Certificate.
